

COLLEGE OF NATURAL SCIENCES & MATHEMATICS(CNSM)

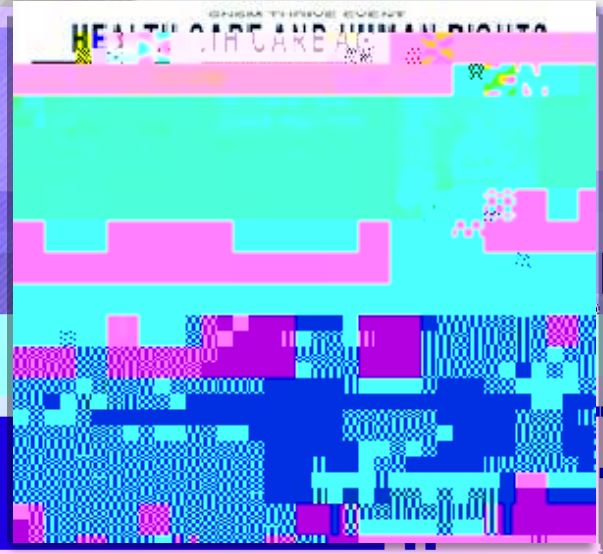

Liaison: Wayne Tokunaga, Career Counselor

The CDC collaborated with CNSM Thrive on a panel on Health Care and Human Rights on November 202

The panel consisted of two professionals:

Dr. Tom King who practiced internal medicine for 26 years and was vice president and founding member for the Polyclinic Community Health Foundation where he piloted a free medication program for X Q G H U V communities.

Na hide Gulensoy, an environmental engineer who worked for 20 years investigating and developing cleanup solutions for highly contaminated and hazardous materials in poor communities throughout the country. The event attendees consisted of 37 STEM and non-STEM students.
