

Internship Application

Thank you for your interest in an unpaid internship with the Center for Successful Aging at California State University, Long Beach. The Center for Successful Aging fosters interdisciplinary applied research, supports program evaluation, and promotes education on aging to reduce disparities and promote well-being in communities. Our mission is to bring together faculty, students, and community partners to develop creative solutions for diverse aging populations through education and research.

Although unpaid, interns are provided with a unique, dynamic, applied learning opportunity in which they will learn valuable skills transferrable to professional job settings while benefiting the local community.

If you are interested in working with aging-related projects to improve quality of life in the diverse aging population of Long Beach and beyond, learning community outreach and research skills that will strengthen your resume, and/or learning more about community-based participatory research - our unpaid internship is for you.

If interested in this internship opportunity, please submit all required documents listed below. We look forward to hearing from you and exploring creative ways to use your talents to benefit the CSULB and local communities.

PLEASE EMAIL OR DELIVER YOUR COMPLETED APPLICATION PACKET TO:
