

In collaboration with our campus partners, we have planned a series of activities, workshops, and events that will prepare you for your residential life experience and will equip you with the tools for academic success. This will also allow you to meet other students in the residence halls and get accommodated with your new home! New freshmen, new transfer students, and returning residents are able to participate in the Beach Days activities. Stay tuned for our official [Beach Days Schedule](#).

Sincerely,

Housing and Residential Life
California State University Long Beach
