

This policy statement was recommended by the Academic Senate on March 12, 2020 and approved by the President on March 13, 2020.

The Advisory Council on Strategic Enrollment Management shall serve as the primary advisory body to the Academic Senate on matters associated with Strategic Enrollment Management for the university. The Advisory Council shall review, evaluate, set priorities where appropriate, and make recommendations on strategic enrollment matters. Such matters include, but are not limited to, strategic recruitment, optimal enrollments, admissions policies reflective of our values, optimal size and rate of growth of student enrollment, the strengthening retention of students, effective career counseling, proactive academic advising, holistic campus life and facilities, and other strategic support functions.

The Council shall be chaired by a faculty member. The chair shall automatically become a member of the enrollment technical committee. The council shall provide an annual report (or presentation) on its recommendations to the Academic Senate, President, and the Provost in April of each academic year.
