---

6.3 Report from CSULB Provost, Karyn Scissum Gunn – KSG reports that she is looking forward to learning more about the work done by all the University councils and committees. She is in her 8<sup>th</sup> week at the Beach and is very enthusiastic about the Beach. This is a challenging time where we are attempting to open the campus up for all. AA believes that communication is very important and the Provost messages which included a “faculty toolkit,” vaccination attestation process through SSO, availability of PA systems and recording software. Information for faculty members about campus testing locations, public health messaging, and having all information available in one space for easy access. An open forum was recently recorded regarding repopulation and was included in the 3<sup>rd</sup> Provost message. Academic Continuity webpage to be updated with developing FAQ’s. Daily vaccination data are uploaded to the website and is available for retrieval by those who desire to see it. Beach 2030 and student success are the Provost’s top strategic priorities – including closing equity gaps. Convocation was a huge success and KSG thanked Senators NH, AR, JH, AO, and the Student poets.
