To: Jessica Zacher Pandya, Chair, Academic Senate appeals wing

893 appeals 2018-2019 year (756 appeals), but still lower than 2016-2017 (924 appeals). The largest category of appeals reviewed by this committee in 2019-2020 was disqualification (14%), later reinstatement (11%), appeal of grade (11%), full Board of Regents (10%), appeals (9%), graduate appeals (2 cases, 3%), academic renewal (1%), GE waiver (1%), and other (1%). The committee heard 430 disqualification appeals in 2019-2020, up from 317 the approval rate for the total 314 were approved and 166 were denied. Consideration of compassionate high accommodation, e.g. allowing sufficient time to raise GPA following a single high-unit semester of poor grades early in the academic career, or facilitating student connection with BMAC, CAPS, or other services once collateral issues relating to the disqualification (75 (32%) identified. Of the 266 reinstatement appeals, 99 (42%) were granted. This distribution of appeals for 2019-2020 is similar to that of previous years. Overall, about 3/4 of all cases are in the categories of disqualification and later reinstatement; however, in the current year, there are slightly more for disqualification/slightly less for reinstatement compared to the previous term. Of the 893 appeals heard by the committee in AY 2019-2020, 552 were granted, yielding an approval rate of about 62%, up from 58% the prior year. As was the case in the previous year, the busiest month for the committee was January, with 117 cases. The appeals could also be heard by the committee also met for regularly scheduled appeals in January). June was the lightest month for this committee, with 8 actions before the committee at our final meeting.
