As the holder of a Multiple Subject Credential, you are authorized to teach in a self-contained classroom. Self-contained classrooms are usually found in elementary schools at the preschool through sixth grade level, where all subjects are taught by a single teacher to one group of students. If you are interested in teaching in a specific subject matter area, the following added authorizations are available:

Supplementary Authorizations are added to a Multiple Subject credential, and are based upon 20 (or 10 upper-

at CSULB .

See the chart on the opposite side for specific information. There may be additional requirements for certain academic areas of Subject Matter Authorizations.

To request an evaluation for any of the above listed authorizations, please submit an Added Authorization Evaluation Request to the Credential Center, EED-42.

Please go to the following website to download the Added Authorization Evaluation Request Packet:
