Prerequisites are subject to change; consult the University Catalog (www.csulb.edu/catalog) for the most recent updates

A 'C' or better is required in all courses

GE credit is granted based on the term you take the course and is subject to change; see the current GE course list at www.csulb.edu/ge

Completion of this major does not meet the minimum upper division units required to graduate; additional upper division electives may be needed

This option requires 3-5 semesters of chemistry

Total units required for FSCI option: 67-77
