Nutritional Science Emphasis  
Suggested Sequence of Courses

1st Year  
Fall

Spring

Summer

\*Advancement to Candidacy

2nd Year  
Fall

Spring

Summer

Required Core Courses Included in the MS Program (total of 21 units)

Possible Area of Specialization Courses (Select 15 units in consultation with Advisor):

TOTAL UNITS: 36

\*Advancement to Candidacy: Students must be advanced to candidacy prior to enrolling in NUTR 697. Students can advance to candidacy after successful completion of nine (9) graduate level units including NUTR 696. More information can be found in the Graduate Student Handbook.

\*\*GS 700: This course is only required for students who need additional time to complete the thesis/directed project but have finished taking all classes. GS 700 (and educational leave) are used to maintain continuous enrollment in the MS program. Since students must be enrolled in the semester of graduation, students who do not

complete the thesis/DP by the library deadline during the semester of NUTR
